Staff Favorites...

Miss Jessica- “My favorite memory is when we recorded Goldie Socks and the Three Libearians. There were many good bloopers that never made You Tube. I think we all laughed the hardest over Geoffrey’s papa bear impersonation.”

Melissa Smith- “ I remember when we did “Dancing with Dan, starring Geoffrey!” Dan was so incredibly irritated when we had him sit on a chair and he was surrounded by dancing puppets! Then we decided that since Dan hated it so much Geoffrey would be the star!”

John O’Keefe- “I remember when my hand got caught in a pirate hook it took about a hour to get it out! I also loved it when we re-made the lightning thief.”

Staff Favorites...

Daniel Sheehan- “ I remember when we were filming Goldie Socks and the Three Libearians, and Geoffrey bent over to scream to Melissa “What are you doin’!!!! You coulda’ got yerself arrested!!!!!!” and when he did that, it was a ummmm “full moon”. Anyway, my other favorite memory was when we were filming the BP oil spill and Geoffrey started talking to the clay head. Was it Lucia or something???? I have no idea, but it was funny.”

Taylor Godfrey- “ One of my favorite Scribbles ‘n’ stuff memories would definitely say ‘Dancing with Dan Starring Geoffrey’. I just remember discovering the cute puppets and coming up with an idea that seemed so funny at the time! I wrote out the sign and we somehow (don’t ask me!) convinced Dan to get on camera even with a sign in front of his face. It was such a memorable day!
