Dear Former and hopefully, NEW Friends of Pembroke Public Library,

We hope you are well and seeing the light at the end of a very long pandemic tunnel! The library is back open for browsing and we are optimistic that all of our regular programs will resume in person. We would like to offer a big “THANK YOU” to those of you who have previously been a Friend of Pembroke Public Library. Your past donations have, in part, enabled the Friends to offer many programs to the residents of Pembroke, including museum passes, programs, workshops, and classes. We have also been able to purchase books beyond the library’s regular book budget.

This year we are offering an added incentive for becoming a Friend of Pembroke Public Library! Now, more than ever, it feels so important to be part of something good, something bigger than ourselves within our community. Your membership should represent more than an annual donation. To acknowledge your donation and participation as a member, Friends of Pembroke Public Library would like to offer the following membership incentives:

Silver Membership: a \$15.00 donation - window decal with Friends logo

Gold Membership: a \$25.00 donation - window decal, canvas book tote with Friends logo, and coupon for one shopping bag of books for **free** at the annual book sale

Corporate Membership: a \$50.00 donation - both window decal and canvas tote with Friends logo

So you ask, “**How do I become a Friend of Pembroke Public Library?**” It’s easy! You can bring your donation (cash or check) to the library circulation desk and receive your incentive immediately. **Your membership will be valid through December 2022.** We look forward to adding many new Friends to our list of supporters, and thank you in advance for your participation!
